How to get there

Perth Sailing Club is sited on the north bank of the Tay 1 mile east of the Friarton Bridge. From Perth city or the south, pass under the A90 dual carriageway as if heading into the city. From the east turn off at the sign to Perth. Then take the second road on the left, over the railway, turn left, then right at the foot of the hill

If you would like to have a go at either team rowing or small boat sailing, please come along and we will try to give you a go. No previous experience necessary, if you are mobile and keen. Or if you just want to have a look, do come along and ask us about our sport.

Please wear soft footwear which you don't mind getting wet. A waterproof jacket may be useful and remember accidents can happen near water so a change of clothes might save you going home wet.

Buoyancy aids will be provided.
